Figure 1. (is part of)

A screenshot of a digital document interface. The top menu bar includes 'DOCUMENT' and 'PAGES' on the left, and 'Zoom' with a magnifying glass icon on the right. The main content area shows the text 'p. 1' at the top left. In the center, there is a title 'interview with a zombie' in a stylized, handwritten font, enclosed in a thin rectangular border. Below the title is a small, dark, square image of a zombie's face with a skull-like pattern. The bottom of the screen features a navigation bar with a left arrow, a page number 'Page 1 of 8', and a right arrow.
